WAIT LIST FOR WITHDRAWN ENTRIES AFTER THE CLOSING DATE/TIME

ADOC is offering a Wait List to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 50 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to the closing date. Any entries withdrawn that are received by 6PM (CST) January 9 will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial by 6PM (CST) March 6, 2017 will receive a full refund.

To help resolve the confusion that has been occurred over the years with Excellent A and Excellent B classes, which are two distinctly different classes, we are renaming them to match the names of the titles that are earned from those two, different classes. The requirements to qualify are different in each of these classes as is the title earned when they complete the title requirements. In an effort to eliminate this confusion, as of January 1, 2013 the name of the Excellent A class will change to "Excellent" and the name of the Excellent B class will change to "Master".

Please note, only the name is changing. The class themselves and the titles earned remain the same.

The changes will be as follows:

Excellent A will change to Excellent

Excellent A Preferred will change to Excellent Preferred

Excellent B will change to Master

Excellent B Preferred will change to Master Preferred

Prizes and Awards:

Classes will have rosettes awarded to the 1st through 4th place in each jump height. Dogs must qualify to receive placement rosettes. Qualifying ribbons will be awarded to all dogs receiving qualifying scores

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if a VMO or an AKC Agility Rep is present; all dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. NEW Simplified Jump Height Card Process: When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be measured. Please make sure and check that box if your dog needs to be measured.

INSTRUCTIONS

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or **back-to-back trials** only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
