ADOC TRAINING GUIDELINES

Thank you for choosing to train with Alamo Dog Obedience Club. Please follow basic Training class rules. These rules are meant to make training with ADOC safe and enjoyable for handlers and dogs. Your cooperation is appreciated. Please direct questions or concerns to your instructor. We value your participation in our classes.

1. Dogs must be kept on leash at all times, from when you get out of your vehicle and until you get back in your vehicle. Never let your dog off leash until it is the appropriate time in class to do so.
2. Never let your dog sniff other dogs in the training building or parking lot. Some dogs that train with us, especially the first couple of classes, may not be friendly and outgoing, even if your dogs. Not watching your dog at all times is not only careless but is inconsiderate of other handlers and their dogs.
3. Please pick up after your dog. We do not supply plastic bags, but you should keep some handy on your person or with your training gear.
4. There are no refunds for training fees.
5. No dogs, including puppies, will be allowed on the property without prior proof of up-to-date, age appropriate vaccinations, including rabies, DHLPP and Bordatella.
6. When leaving or entering the building, always close the door securely behind you at all times.
7. Dogs must be free of flea and ticks.
8. No bitches in season are allowed on the training property and building. Handlers should attend class without their dog while the dog is in season to observe the class instruction
9. No dogs will be tied to the fence or areas around the property. Crates are available in the building.
10. The person designated on the training registration agreement as the handler of the dog will be considered the trainee for the duration of the training session. No substitution will be allowed without prior approval of the class instructor.
11. Should a class need to be cancelled, you will be contacted by the class instructor. Please keep In mind that sometimes we have to make a judgment to cancel class based on weather advisories. If a class is cancelled, the session will be extended.
12. Only handlers and dogs registered for classes are allowed inside the training building. Friends and family will be limited (only 1 or 2) and are invited to watch but must stay seated and wear masks. Children should not be left unattended.
